Dragons have driven the Royal Court from the castle! Without his vast treasures, the king cannot raise an army to defeat the scaly, fire-breathing invaders. His kingdom is ruled by lizards. Yet the young prince knows the castle’s many bridges and storerooms better than anyone throughout the kingdom. He plots to loot the dragons of their plunder and regain the palace. "Brave boy," trembles his father, the king, as the prince leaves for the ramparts. "Please. I beg, for the sake of those who love you. Beware the dreaded dragonfire!"
